How to Pray

- Pray for me as I prepare to teach on discipleship and bible
- Pray for our conference and for the youth workers and pastors, that it would be effective and that they would gain a vision for disciple-making
- Pray for that the local church would be strengthened through persecution from the Ethiopian Orthodox Church
- Pray for the Orphans, that they would come to Christ and that God would restore them to their families

ERIN'S YEAR

Family and Friends,

I recently graduated from Mississippi State University with a degree in marketing. I am currently living in Memphis doing communications for an advertising firm and am going through a 9-month discipleship program called Emerging Leaders. Through the program I am learning bible, theology, discipleship and am serving in the city and in my local church. Additionally, I have the opportunity to go on a mission trip to Ethiopia at the end of the year.

In Ethiopia we will be partnering with an organization that works with street children and orphans. Our team will be teaching and training their staff and local pastors in bible and discipleship. We will also have the opportunity to serve in the Orphanage.

Will you consider partnering with me?

The total cost of the trip is \$2,800. I am excited to ask family and friends to partner with me in my trip. Will you pray for our trip and consider supporting me financially?
